

Ice, Ice Baby!

Glacier viewing is a top attraction in Anchorage, Alaska, with more than 30 glaciers surrounding the city. Hike, bike, drive, walk or flightsee to exotic locations to view these monoliths of the Earth's history. Hold glacier ice in your hands, walk on these frozen cobalt mammoths, or dog sled across a glacial surface. **Glaciers Galore!** Anchorage.net

Go to Alaska with NDTA!

September 22-26, 2012

We will explore INDUSTRY Frontiers. NEW Opportunities. NEW Realities. NEW Possibilities
