

RISING to the Challenge

Pat Morello

Director of Purchasing
[Navistar Defense](#)

Pat Morello is currently the Purchasing Director for Navistar Defense. Mr Morello is an experienced Defense Professional with 24 years of practical experience. As head of Purchasing for Navistar Defense, Mr Morello is accountable for all direct and indirect procurement for all of Navistar's Defense Vehicle line-up including the Maxx Pro Dash, Husky and Maxx Pro Wrecker.

Mr Morello has been with Navistar for the past 16 years, and has also held positions at Mack Trucks and Ellis & Watts. While at Navistar, Mr Morello has had the opportunity to lead both Engineering and Sourcing teams. Most notably, Mr Morello was the Chief Engineer for the Maxx Pro development program.

Mr Morello earned his Bachelor's of Science degree in Mechanical Engineering from the University of Pittsburgh and his MBA from Northern Kentucky University.
