NDTA BENELUX CHAPTER

- INVITATION -

Reminder -- The 598th Trans Brigade (SDDC) and 838th Trans Battalion (SDDC) have relocated to Germany. The Benelux Detachment remains in the Netherlands, located at the Van Ghent Kaserne. This change calls the future of the Benelux Chapter into question as there are few other US military transportation professionals in the Benelux region. At the last Board Meeting we discussed various options and agreed to continue the Chapter with a new and different course. We would very much like to hear your views on the current program we offer and any ideas you have for a future program and any other issues you would like to discuss. We have the full backing of LTG Ken Wykle, President NDTA, who is fully supporting us in continuing the chapter's activities
