NDTA (the National Defense Transportation Association) is a non-profit, non-political educational association committed to fostering partnerships between government, military and industry, and maintaining a strong and efficient global transportation, travel and distribution system in support of national security. There are over 9,000 members in the Association, composed of both individual and corporate members. There are over 60 chapters in the United States and overseas in Europe, Asia and the Pacific. The national headquarters office is located in Alexandria, VA.

NDTA Presents Distinguished Service Awards to Individual Chapter Members at the 64th Annual Forum and Expo

The voice of Global Defense Logistics

[Alexandria, VA; September 28, 2010] - - - Every year, NDTA members who have demonstrated dedication and assistance in furthering the aims and objectives of the Association are recognized at the Annual NDTA Logistics and Transportation Forum and Expo. On September 22, twenty outstanding individuals were honored for their commendable service at the NDTA International Awards Luncheon held at the Gaylord National Harbor Hotel. They hail from NDTA Chapters located across the United States and overseas in Pacific, European and Southwest Asian Regions. They bring diverse talents, expertise and experience in logistics and transportation to the broad based membership, yet they all share a common bond— exceptional leadership qualities that inspire others and that help shape the way way forward for NDTA.

NDTA Chapter membership is comprised of people from military, government, and commercial sectors who enhance knowledge, broaden professional horizons, assist their communities and enjoy a spirit of camaraderie. Through their interaction, NDTA members perpetuate the multi-faceted partnership that is the hallmark of NDTA.

For more details concerning the Distinguished Service Award Program, please contact [Mark Victorson](#) [703-751-5011].
