NDTA (the National Defense Transportation Association) is a non-profit, non-political educational Association committed to fostering partnerships between government, military and industry, and maintaining a strong and efficient global transportation travel and distribution system in support of national security. There are over 9,000 members in the Association, composed of both individual and corporate members. There are over 60 chapters in the United States and overseas in Europe, Asia and the Pacific. The National Headquarters office is located in Alexandria, Va.

NDTA, together with NDTA Corporate Members and Local businesses, is working to provide great deals and discounts to our veterans returning home from Iraq and Afghanistan. To celebrate their homecoming and thank them for their great service to our country Hertz will be providing 40,000 weekend car rental vouchers to the troops heading home. The “Hertz for Heroes” program is an effort to give back to those who have fought so hard for our country. Through Dec. 31st, every Hertz rental you make will help us reach our goal of providing 40,000 FREE weekend rentals to 40,000 troops!

The Hertz for Heroes Program, coordinated by “Rocky “ Mobaraki, Chair-NDTA Passenger Travel Services Committee; Director, Global, Government and Strategic Programs for Hertz; and, NDTA’s A-35 Young Leaders program Chairperson and Global Government Strategic Manager for Hertz, Lori Leffler have been working with the NDTA headquarters to ensure organized distribution of the vouchers for the troops.

Choice Hotels, in a separate but concurrent program, outlined by Thom Puccio, Dir, Government sales, Choice Hotels International is providing 2,000 bonus points in their “Military Stay Program Choice Privileges” to the Veterans returning home. These Choice privilege points can be used toward free hotel room nights, airline miles, gift cards and more privileges that should be of interest to our troops.

NDTA is promoting the Hertz and Choice Hotel programs on the NDTA website, the NDTA Gram, a monthly membership newsletter that goes out to their members and in the Defense Transportation Journal, so the troops will know what is available to them. SDDC is also helping with the distribution of the vouchers and Bonus Points to the troops who are still on the ground in Iraq and Afghanistan and to the troops who have already returned home. NDTA will ship the 40,000 to Kuwait to be handed out to the troops. Physical distribution of the vouchers will be accomplished on the ground in Kuwait where troops from both Iraq and Afghanistan will be departing to return home for the holidays.

To provide the best and most efficient delivery of the vouchers, Minuteman Press is providing the cutting and repacking of the vouchers for free, as a donation to the campaign. UPS is sending the hotel and car rental vouchers to Kuwait for distribution, as a complimentary shipment to support NDTA and the two programs.

Choice Hotels International, the Hertz Corporation and UPS are NDTA Chairman’s Circle PLUS Member, the Association’s most distinguished members. NDTA Plus Members are committed to providing logistics, transportation and supply chain solutions to military missions around the world. For more information concerning NDTA Corporate membership, contact [Denny Edwards](#) or [Lee Matthews](#) at the Headquarters Office.
