

**Course Title: Atlas Worldwide – Protecting our Employees, Assets and Network****Abstract:**

As one of the world's largest lessor of aircraft, Atlas Worldwide must protect its employees, its assets and its global network from a variety of threats. We use a risk-based management system. In this session, we will explore threats and risk based responses whether we are providing dry leases or wet leases or one off cargo charters.

**Organization:** Instructor's Organization

**Instructor(s):**

**Gary Wade**  
**Vice President, Security**

Gary Wade is responsible for global security at AAWW. He joined the Company in 2002 with more than 30 years of experience in federal law enforcement.

Mr. Wade has served as the Special Agent in Charge of the Federal Air Marshal Service at Atlanta's Hartsfield International Airport. Previously, he was a Special Agent for the Drug Enforcement Administration, assigned to offices in Detroit, Miami and Washington, D.C.

He managed DEA's Undercover Training Programs for four years and served as the Agency's Chief of Congressional Affairs before becoming the Special Agent in Charge of the DEA's Office of Training. He was also with the FBI for one year as part of the Department of Justice's executive exchange program.

Mr. Wade received his bachelor's degree in industrial management and marketing from West Virginia University and attended graduate school at the University of Virginia.
