Dear Friends,

The Scott-St Louis Chapter would like to thank you for all that you do to support National Defense through your transportation, logistics and supply chain endeavors! Through your dedication and support we can achieve our mission through collaborative efforts between government, industry, and academia.

Our chapter's Scholarship and Charity Golf Tournament is scheduled for **Friday, May 5th, 2023**, at the Orchards Golf Course, in Belleville, Illinois. In addition to great golf, we're going to have great raffle prizes including an authentic Chevy Chase signed Caddyshack collectable, a smart TV, and many other prizes. Once again, we would like to invite you to be a part of this signature event through a tax-deductible sponsorship. These donations are used to generate interest in the event among golfers and, especially in the case of monetary donations, to add to the fundraising itself.

We anticipate continuing to award academic scholarships in the amount of \$12,000, as well as financially supporting our grant program and our Young Leaders Program. Your contributions enabled the programs and support that we continue to provide to our members and the local communities.

Sponsorship Opportunities on the course are as follows:

- \$1,000 will sponsor a hole and one team of 4 golfers; additional 4somes will be \$400 per team.
- Lunch and Beer Cart Sponsorships are available at \$500 each.
- We also are accepting marketing items, goods, services, certificates, or financial donations

This is a great chance to not only gain significant exposure in the area by being involved with this prestigious event, but to also make a huge difference in the lives of many deserving people.
